

ZIQZUL CORPORATION SDN. BHD. is a consulting company that concentrates on the strategic management and human resource development of a company. It has supported Antarama Sdn Bhd in conducting consultancy services and activities through El-Azzhar Camp for more than 10 years. In order to further enhance Antarama Sdn Bhd's business strategy, Ziqzul Corporation was established on 29 June 2007.

We believe that with our expertise and experience, we can provide you assistance to the development and enhancement of your organisation through our management and strategic corporate development's training. It is our hope and objectives to cultivate and promote excellent working spirit and environment within your organisation.

**OUR VISION** To promote and become the reference for excellence human resource development.

**OUR MISSION** To provide consultation services on effective human resource development with reasonable cost.

**OUR PHILOSOPHY** We trust that with full cooperation, participation and effort, a success in human resource development is no hurdle.

We give the most and our best to provide and ensure quality training and consultation.
